FOR SOUTH AFRICAN SMALL & MEDIUM BROKERAGES

Elevate *your brokerage.*

Four packages. One growth path. The complete back office for the brokerage that's too big for a side hustle and too small for an enterprise rollout.

Platinum

Built for the 2–20 agent brokerage.

If you're scaling from a one-broker show into a real operation — and doing IT, marketing, compliance and recruitment yourself — Elevate replaces six suppliers with one subscription.

- ✓ Independent brokers and **2–20 agent** brokerages
- ✓ FSPs that need to **look and operate professionally — fast**
- ✓ Owners juggling everything: dialler, data, hiring, the website, the email
- ✓ Anyone tired of personal Gmail addresses, personal cell numbers and a Facebook page they call a website

One subscription. The whole back office.

Every Elevate package bundles six things that normally come from six different vendors.

DIY costs more — and gives you six suppliers.

A realistic cost-stack for a 5-agent brokerage trying to build this themselves.

LINE ITEM (DIY)	REALISTIC MONTHLY COST
Domain + 5-page website (freelancer)	R1 500 – R3 500
Email hosting + MS 365 (5 seats)	R1 200
VoIP landlines (3)	R900
Part-time social media manager	R3 500
Lead data (1 000 records)	R3 000+
Airtime allocation	R1 500 – R2 500
DIY total	R11 600 – R14 600
Diamond — everything, one invoice	R13 999

...and DIY gives you six suppliers, six invoices, six support queues. Elevate gives you one.

POPIA & compliance **built in.**

You stop being one DPA complaint away from a problem.

Compliant lead data

Records sourced under POPIA · opt-out workflow handled by us.

Call recording trail

Business numbers + VoIP gives you a compliance trail on every call.

Branded email identity

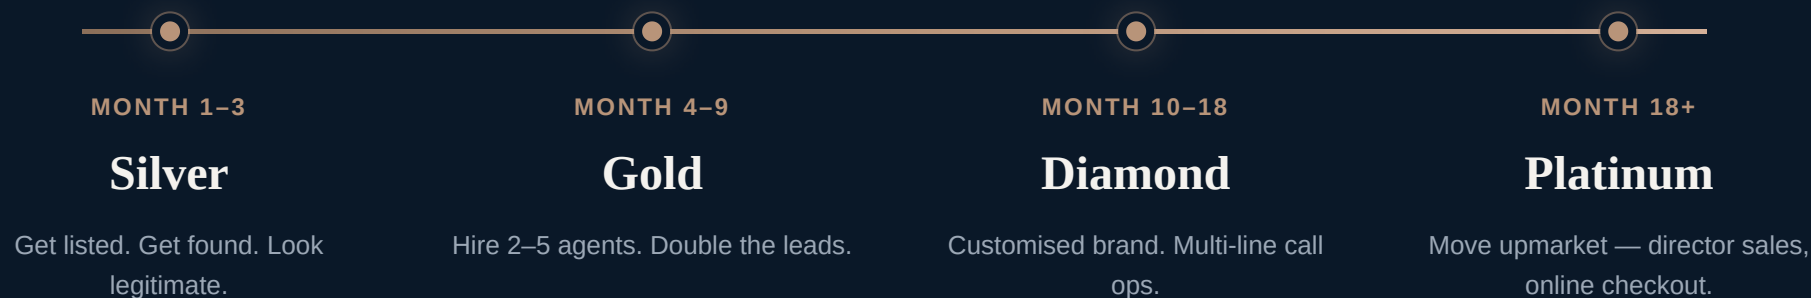

No more Gmail — a legitimate Information Officer footprint for the regulator.

Consistent disclosure

Digital business card + company profile PDF = the same disclosure to every client.

Silver to Platinum — at your pace.

A realistic growth path for a small brokerage. You're not locked in — upgrade or downgrade as the team flexes.
